**Introduction Ordinance 2024-18: Ordinance Reaffirming the County Retirement Benefit Policy**

Attorney Taylor stated the policy of Montgomery County for many years has been that all full-time employees and all elected officials, including but not limited to the members of the Board of Commissioners, members of the County Council, and the Coroner, are participants in the Indiana Public Retirement System (INPRS), formerly known as the Indiana Public Employee Retirement Fund (PERF) and that the County would make deposits to INPRS as required by Indiana law. This policy has been articulated in the Employee Handbook, which is incorporated into the County Code. The new section will read as follows:

(A) Indiana Public Retirement System (NPRS): The County has elected to participate in the Indiana Public Retirement System (NPRS), formerly known as Public Employee Retirement Fund (PERF). The County will make the statutorily required contribution for all full-time employees, other than Police Officers who are covered by their own retirement plan, and for all elected officials, including but not limited to members of the Board of Commissioners, members of the County Council, and the Coroner.

(B) Full-Time Employees and Elected Officials Ineligible for NPRS: For those full-time employees and those elected officials, who because of prior participation in INPRS as an employee or elected official are ineligible to participate in INPRS in their current capacity or are otherwise ineligible for INPRS, the County will provide retirement benefits equal to INPRS contributions had the employee or official been eligible for NPRS and will provide such benefits by way of a Section 457 plan or other retirement plan.

**Resolution 2024-20: Resolution Approving Corrective Action for Retirement Benefit Funding**

Attorney Taylor stated, the Board of Commissioners have learned that an error had been made and that the County failed to make the required contributions for some members of the Board of Commissioners and County Council. The Resolution resolves that the Auditor will make the missed contributions for all current elected officials to INPRS and make additional contributions to INPRS in order to account for any lost growth in the participant's account because of the delayed contributions and the County Administrator will establish a Section 457 plan or similar retirement plan for any of the Commissioners, Council members, or other elected officials who are otherwise ineligible to participate in INPRS because of the rules of INPRS, and the Auditor will make contributions to this plan for the account of each such person as if that person were otherwise eligible to participate in INPRS, including the base contributions which were missed and any additional contributions necessary to account for lost growth in the account because of the delayed contributions.

*Commissioner Guard moved to approve Resolution 2024-20. Seconded by Commissioner Fulwider. Motion carried 3-0 votes in favor.*
