Ordinance 2016 – 29

An Ordinance Establishing the Public Health Education Program Fund

Whereas, in 2015, the Montgomery County Health Department partnered with Franciscan St. Elizabeth Health – Crawfordsville in order to conduct a Community Health Assessment; and

Whereas, this needs assessment assessed the broader scope of current health issues in Montgomery County, and this data was used to implement a Community Health Improvement Plan; and

Whereas, as part of this Community Health Improvement Plan, the Montgomery County Health Department is developing a public education program focused on the prevention of disease and promotion of quality of life initiatives; and

Whereas, the Montgomery County Health Department applied for a grant from the Montgomery County Community Foundation to assist in the funding of this public health education program, and the Foundation approved a grant in the amount of \$15,450.00 to assist in the funding of interns, equipment and advertising for the program; and

Whereas, a non-reverting fund should be created for this grant in order to facilitate the funding of this program, provide a mechanism for the deposit and administration of this grant, and allow for accounting and other compliance with the terms of the grant.

Therefore, it is ordained that a new section, Section 35.97, is hereby added to the Montgomery County Code of Ordinances establishing the Public Health Education Program Fund, and this section shall read as follows:

" § 35.97 PUBLIC HEALTH EDUCATION PROGRAM FUND

- (C) *Non-Reverting Fund.* This is a non-reverting fund. No portion of the monies in this Fund will revert to the Montgomery County General Fund."

It is further ordained that this ordinance shall be effective upon adoption.
