HEALTH DEPARTMENT CONFIRMS SIX ADDITIONAL CASES

CRAWFORDSVILLE, Ind. — The Montgomery County Health Department announced Wednesday that six new positive cases of COVID-19 have been confirmed in Montgomery County residents.

Between the six new cases today and the three confirmed cases announced in a release on Tuesday, health department staff have determine that three cases are associated with a cluster previously identified at a long-term care facility.

Montgomery County's total confirmed cases moves to 59 since the first case was recorded March 24.

Updates and other information can be found on the Montgomery County Health Department website and social media channels. Other information is available on the Center for Disease Control and Prevention website (www.coronavirus.gov) or the Indiana State Department of Health website (www.in.gov/coronavirus).
