veterans.memorial.47933@gmail.com

Fellow Community Partner,

Recently we formed an organization called Veterans Memorial Park. Our singular purpose is thus -

***Provide the community a dynamic, educational based Memorial Park with a focus on honoring all veterans and their role in preserving the freedoms and rights that we as Americans hold dear.***

We are a member of the Crawfordsville Chamber of Commerce and recognized by the Secretary of State as a non-profit with a 501c3 designation. Very soon we anticipate approval by the federal government. The Park will be located just north of the National Guard Armory, on ground we have leased from Byron Cox American Legion Post 72.

Our priority is to acquire the centerpiece of the park, a refurbished 1969 H Model Huey Helicopter. The cost for the Huey including transportation to Crawfordsville and site preparation is \$50,000. Our goal is to have the Huey in place by Veteran's Day 2023. There will be additional expenses as we move forward, to include, but not limited to a mural, flag pole display and commemorative bricks.

Our goal is to raise the additional funds for the project through donations from interested individuals and businesses and civic support. Charter donors will be recognized on a plaque near the entrance to the Park.

If you are interested in the project or know someone who might be interested, please contact one of the board members.

Thank you for your time and consideration.
