### **ORDINANCES**

#### **2nd Reading Ordinance 2024-10: Amending Policy Prohibiting Food and Drinks at the Courthouse**

Ordinance creates new section in the County Code to prohibit visitors to the Montgomery County Courthouse from bringing food or beverages in to the Courthouse. Currently, food and beverages are not allowed in the Courtrooms in the Montgomery County Courthouse per the County Judges. Visitors often leave food and beverages outside the Courtrooms which results in beverages being spilled on to the floor of the hallways. The spillage may cause a slipping hazard and damage to the floor. *Commissioner Guard moved to approve Ordinance 2024-10. Commissioner Fulwider seconded. Commissioner Fulwider questioned if the ban included all visitors to the Courthouse and inquired whom would be responsible to carry out the policy. Motion carried 3-0 votes in favor.*

### **RESOLUTION**

#### **Resolution 2024-7 Authorizing the Use of Alternate Leasing Procedure**

The County owns 4.77 acres at the corner of Nucor Road and US 136 that was previously used for hay. The County intends to lease the property for the harvesting of the crop. The Resolution finds that the traditional procedure for leasing real estate under Indiana Code 36-1-11-10 is not feasible based on the need to get the real estate under lease in a short period of time in order to allow crops to be planted and harvested and authorizes an alternative procedure which requires the County to solicit a request for proposals, which must include:

The factors or criteria that will be used in evaluating the proposals, including a statement that:

- (i) the property may not be leased to a person who is ineligible under section 16 (person who owes delinquent taxes etc.); and
- (ii) a proposal submitted by a trust (as defined in IC 30-4-1-1(a)) must identify each beneficiary of the trust and each settlor empowered to revoke or modify the trust. A statement concerning the relative importance of price and the other evaluation factors.

A statement concerning whether the proposal must be accompanied by a certified check or other evidence of financial responsibility.

A statement concerning whether discussions may be conducted with the offerors for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements.

*Commissioner Guard moved to approve Resolution 2024-7 Authorizing the Use of Alternative Leasing Procedure. Seconded by Commissioner Fulwider. Motion carried 3-0 votes in favor.*

#### **Resolution 2024-8 Approving Transfer Agreement with Trinity Horizons**

**MEDIATION RULE 2.7 SETTLEMENT AGREEMENT**

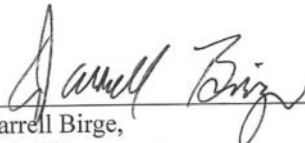

On March 6, 2024, this case was mediated to settlement. In exchange for mutual releases of all parties (and related entities) to this litigation, the parties have agreed as follows:

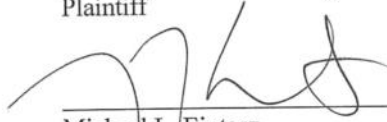

1. The County will lower the elevation of the ~360 feet on the lower elevation by bottom dipping (see 1 on the attached map) and will deepen and make a two-stage ditch on the 920 feet owned by the Commissioners (see 2 on the attached map).
2. The County will be dipping/excavating/bottom dipping the Shumaker-White Ditch (Stoddard) by the end of 2024.
3. The County will remove 20-25 feet of width of the railroad grade at the NE corner of Birge's property and install a rock chute to the open ditch.
4. The County will change the corrugated culvert at the wastewater treatment plant to a smooth/concrete culvert of the same size.
5. If the plaintiffs chose to do so, they may install two 15-inch sub-main tiles installed on each side of current James Hose Regulated Drain (two twin-30-inch pipes). The pipes would need to be installed a minimum of 25 feet from

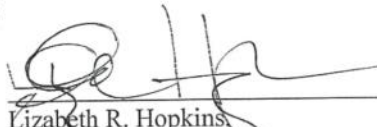

the mid-point of the current regulated drain. Birge would receive a favorable recommendation by the Montgomery County Surveyor for approval for the sub-main tile project, but a vote would be required by the Montgomery County Drainage Board. The sub-mains would outfall into the James Hose Open Ditch to the north of Birge's property. The installation of these two sub-mains would be at Mr. Birge's expense. Birge agrees to continue to comply with all Indiana drainage code/laws and, in the event Birge performs any additional drainage work on his property that requires attachment to the James Hose Drain and/or utilizes the Drain's outlet into the open ditch, Mr. Birge must petition the Montgomery County Drainage Board for approval. This includes submitting the proper Petition for Variance and/or Petition for Attachment.

6. Formal releases will follow that will contain very broad release language as to any and all claims that have been or could have been made by the plaintiffs against any of the defendants for any matter relating to the subject matter of this litigation. Additionally, the named defendants all agree to hold harmless and mutually release each other.
7. The formal release will contain a confidentiality provision as to the amounts of the settlements paid on behalf of the defendants.
8. Payments will be made to the plaintiffs totaling \$400,000 on behalf of the defendants (\$150,000 on behalf of the Montgomery County entities, \$150,000 on behalf of the Town of Linden and \$100,000 on behalf of Banning Engineering, P. C., Jeff Healy and Joseph Miller).
9. The payments in paragraph 8 will be made within 15 days of execution and delivery of the formal releases and Plaintiffs' attorney's W-9 tax form. The dismissal with prejudice of this action will be filed within 3 days of the last payment being made.
10. The County entities will ensure that there will be a continuous fall, meaning positive grade, of drainage away from the plaintiffs' property at issue in this case from plaintiffs' property to the county line. To make this happen, the county may need to lower multiple culverts while doing the work set out in paragraphs 1 and 2 above.
11. Plaintiffs agree that the Work identified in paragraphs 1 through 5 above was identified, requested, and defined by Plaintiffs based upon Plaintiffs' experience and knowledge and Plaintiffs did not rely on any representation or advice from any of the Defendants regarding the outcome or effect of the work. Plaintiffs' Release extends to any claim for damages Plaintiffs may later assert regarding the Work identified in paragraphs 1 through 4 above, provided the Work complies with paragraph 10 of this Agreement.

12. With respect to the Work outlined in this Agreement, it is conditioned upon formal approval by the Montgomery County Drainage Board and the Montgomery County Commissioners.
13. Any disputes arising out of the performance of the terms of this agreement will be mediated by Pete Schroeder.

# Arbor Day Proclamation

Thursday, April 18, 2024 9:13 AM

**Proclamation of the Montgomery County Board of Commissioners**

**Arbor Day**

**April 26, 2024**

Whereas, in 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, the holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of topsoil by wind and water, lower our heating and cooling costs, moderate the temperature, clean the air, produce oxygen and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless wood products, and

Whereas, trees in our County increase property values, enhance the economic vitality of business areas, and beautify our County,

Now, therefore, the Montgomery County Board of Commissioners do hereby proclaim April 26, 2024 as Arbor Day in Montgomery County.

Proclaimed this 22nd day of April in the year 2024.

The client(s) and DECKARD further agree to include a similar mediation provision in all agreements with independent contractors and consultants retained for the project and to include a similar mediation provision in all agreements with subcontractors, subconsultants, suppliers or fabricators so retained, thereby providing for mediation as the primary method for dispute resolution between the parties to those agreements.

**Timelessness of Performance :** DECKARD acknowledges the importance to the Client(s) project schedule and agrees to put forth reasonable efforts in performing the services with due diligence under this Agreement in a manner consistent with that schedule, as understood by DECKARD. **Permits and Approval:** DECKARD shall assist the Client(s) in applying for those permits and approvals typically required by law for projects similar to the one for which the DECKARD services are being engaged. This assistance consists of completing and submitting forms as to the results of certain work included in the scope of services. DECKARD is not obligated to Guarantee of Payment if Client(s) payment(s) becomes default.

DECKARD and this entity's personnel have no authority to exercise any control over any construction contractor or other entity or their employees in connection with their work or any health or safety precautions. The Client(s) agrees that the General Contractor is solely responsible for jobsite safety, and warrants that this intent shall be made evident in the Client(s) agreement with the General Contractor. The Client(s) also agrees that the Client(s), DECKARD and DECKARD consultants shall be indemnified and shall be made additional insureds under the General Contractor's general liability insurance policy.

**Limitation of Liability:** In recognition of the relative risks and benefits of the project to both the Client(s) and DECKARD, the risks have been allocated such that the Client(s) agrees, to the fullest extent permitted by law, to the limit of liability of DECKARD and this entities subconsultants to the Client(s) and to all construction contractors and subcontractors on the project for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorney(s) fee(s) and cost(s) and expert witness fee(s) and or cost(s), so that the total aggregate liability of the DECKARD and this entities subconsultants to all those named shall not exceed \$50,000.00 (fifty-thousand dollars) or DECKARD total fee for services rendered on this project, whichever is less. Such claims and causes include, but are not limited to negligence, professional errors or omissions, strict liability, breach of contract or warranty.

**Indemnification** The Client agrees, to the fullest extent permitted by law, to indemnify and hold DECKARD harmless from any damage, liability or cost (including reasonable attorneys' fees and costs of defense) to the extent caused by the Client's negligent acts, errors or omissions and those of his or her contractors, subcontractors or consultants or anyone for whom the Client(s) is legally liable, and arising from the project that is subject of this Agreement. DECKARD is not obligated to indemnify the Client(s) in any manner whatsoever for the Client(s) own negligence.

**Collection Costs:** In the event legal action is necessary to enforce the payment provisions of this Agreement, DECKARD shall be entitled to collect from the "Client" any judgment or settlement sums due, reasonable attorney's fees, court costs and expenses incurred by DECKARD in connection therewith and, in addition, the reasonable value of DECKARD's time and expenses spent in connection with such collection action, computed at DECKARD's prevailing fee schedule and expense policies.
